Initial Planning & Booking

- **Secure Your Dream Venue:** Reserve Twin Villas Natai (two interconnected five-bedroom retreats) for your chosen date. Request [a virtual or in-person villa tour with us!](#)
- **Set your budget:** Establishing your budget is a vital first step, it allows you to make confident decisions and begin planning your wedding with clarity and direction.
- **Engage a Wedding Planner:** Hire a local Phuket or Phang Nga wedding planner experienced in villa and tropical weddings. They will assist with permits, suppliers, customs, and day-of coordination. Many sought-after planners are booked up 1 year in advance. Ask us for [a list of our favorite wedding planners!](#)
- **Legal Formalities:** Decide on legal registration. You may opt for a symbolic beach ceremony in Thailand followed by completing the legal registration at your home country. If pursuing Thai legal registration, let your wedding planner assist you to obtain an Affirmation of Freedom to Marry from your embassy, then complete the final registration in person at our local district office.
- **Guest List & Save-the-Dates:** Finalize your guest list and send out save-the-dates.
 - **Travel Arrangements:** Begin organizing airport transfers, guest transport, and visas as needed. [Ask us for a list of recommended local hotel and villa accommodations for your guest!](#)

Vendor Selection
& Wedding Design

■ **Confirm Key Vendors:**

- ✓ **Floral Design:** Choose salt-resistant, locally sourced blooms that stay vibrant against the sea breeze and tropical heat.
- ✓ **Officiant:** Select bilingual celebrants or those versed in Thai blessings for a meaningful ceremony.
- ✓ **Photographer/Videographer:** Work with professionals experienced in tropical light and drone cinematography to capture golden-hour moments and sweeping beach vistas.
- ✓ **Catering & Cake:** Opt for providers experienced in in-villa dining and banquets. Ensure cakes are designed for humid conditions.
- ✓ **Wedding Favors:** Don't forget to arrange wedding favors for your bridal party, groomsmen, and wedding guests. Decide whether these will be purchased locally in Thailand, or carried from your home country.
- ✓ **Entertainment:** Your wedding planner should confirm applicable regulations and permits with the local Khok Kloi Town authority regarding the use of public space (beach use), alcohol, and noise restrictions, which are essential for designing your event-day activities and program.

Vendor Selection
& Wedding Design

■ **Ceremony & Reception Flow Ideas: Plan the cinematic rhythm of your day, utilizing the villa's unique layout:**

- ✓ Preparations in separate villas for bridal and groom parties.
- ✓ Portraits around lush tropical gardens and koi ponds.
- ✓ Magical golden-hour beach ceremony right in front of your villas.
- ✓ Sunset cocktails by the infinity pools.
- ✓ Open up the connecting spaces between the two villas for a unified reception estate.
- ✓ Intimate dinners under the pavilion lights or long-table feasts on the open lawn overlooking the Andaman Sea.
- ✓ Dancing or a mellow after-party beneath the tropical starlit sky.

■ **Finalize Transportation Arrangement:**

- ✓ Secure necessary air and land transportation for yourselves and guests, leveraging Phuket's international airport with non-stop flights from major global cities.

Final Details & Logistics

- **Menu & Seating Plan:** Finalize your wedding menu and seating arrangements.
- **Wedding-Day Itinerary:** Create a detailed itinerary for the entire wedding day.
- **Rain Plan:** Always have a rain plan (tents can be beautifully dressed with lanterns and sheer curtains).
- **Wedding Attire:** Schedule your final fittings for your wedding attire.
- **Decor & Ambiance:** Leverage the natural beauty of Natai Beach and the villa's elegant design, often requiring fewer decor requirements.

1 Month to Day-Of

- **Final Confirmations:** Complete all final confirmations with your wedding planner, vendors, and us.
- **Early Arrival to Villa:** If you are traveling internationally and crossing multiple time zones to reach us, we recommend arriving 3-5 days early to adjust to the new time zone and climate, ensuring everything is in place for your stay. [Ask us for a list of recommended activities to help you settle in, explore, and relax!](#)
- **Run-Sheet Preparation:** Prepare the final run-sheet with your wedding planner.
- **Relax & Enjoy:** On the day-of, let your planner handle timing and logistics, allowing you to fully celebrate your day!
